FSIS NOTICE	82-07	12/7/07
--------------------	-------	---------

CANCELLATION OF OBSOLETE ISSUANCES

This notice announces that FSIS program personnel that conduct inspection-related activities are only to follow instructions found in current FSIS Notices and FSIS Directives, and information found in FSIS training material.

This notice officially cancels all parts of:

- A. the Meat and Poultry Inspection (MPI) Manual;
- B. all MPI Bulletins, such as 77-114, Residue Sampling Requirements, and 79-65, Spray-on Polyurethane;
- C. all MPI Directives such as 918.1, Poultry Carcass Inspection Program, and 917.1, Meat and Poultry Residue Program;
- D. all regional notices; and
- E. any letters containing instructions to field personnel dated prior to 2002.

As a reminder, all current FSIS inspection-related Notices and Directives are available on the FSIS Web site at:

<http://www.fsis.usda.gov/regulations & policies/regulations directives & notices/index.asp>

FSIS Notices, FSIS Directives, and the FSIS regulations also are stored in the pc-DIALS application (personal computer - Document Issuance and Automated Library System), which resides locally on all standard load FSIS personal computers.

DISTRIBUTION: Electronic

NOTICE EXPIRES: 12/1/08

OPI: OPED

The pc-DIALS application is updated regularly, between 8 and 12 times a year, to keep pace with changes to official issuances.

Refer questions to the Policy Development Division at 1-800-233-3935.
